Provision of designated Blue Badge bays in the Vale of White Horse District Council owned public car parks

Please note that when we refer to designated Blue Badge bays, these are bays that are reserved for use by holders of a disabled person's parking permit (Blue Badge) **only**. Parking in these bays is free, providing the Blue Badge is clearly displayed in the vehicle. The bays tend to be wider than standard bays (to enable vehicle doors to be opened fully) and feature a disability symbol (♿)

Free parking is also available for Blue Badge holders using the standard bays in all our car parks, providing the Badge is clearly displayed.

Abingdon
