Your collections in more detail

Separate food waste collection

Every week we will collect your food waste from the small blue bins in your bin store marked food waste.

We have provided you with a small kitchen caddy and 50 compostable corn starch liners to get you started.

- Line your caddy with a corn starch bag and fill it with food waste.
- When it is full, tie the bag and put it into the small blue bin (marked food waste) in your bin store area.

You can buy more liners from most supermarkets but only use 100 per cent compostable bags, **not plastic bags**. Alternatively you can use a few sheets of newspaper to line your caddy.

We take all food waste including:

Recycling and rubbish

Your recycling and rubbish will be collected every other week. One week it will be your food waste and recycling and the next your food waste and rubbish. Please look at your calendar to see which week it is or visit our website - **www.morerecycling.co.uk**

Recycling

Please take your recycling to the large green bins using your new reusable recycling bag.

You can recycle the following:

Rubbish

The large grey bins are for all the rubbish you're left with after you've removed your recycling and food waste, so items such as polystyrene, cling film, crisp packets, nappies and sanitary products. You can use black bags inside this bin. These bins will be emptied every two weeks.

We will not collect any black sacks that are left next to the bins.
