

The South East Area Prospectus 2009/10

The Council's South East Area Committee supports residents to develop projects which improve their community. The area covered is Wantage, Grove, Childrey, the Challows, Letcombe Bassett & Letcombe Regis, Goosey, Denchworth, Charney Bassett, Lyford, the Hanneys, Ardington, Lockinge, the Hendreds, Steventon, Milton, Harwell, Chilton, Upton and Blewbury.

The elected district councillors for the South East wards of the Vale of White Horse District, that make up the South East Area Committee, have a limited budget which can be used to give small grants towards the cost of starting community projects. In the financial year 2008/09 the South East Area Committee gave grants to thirteen different projects. The grants helped with arts, sports and young peoples' activities. Grants also helped to improve community buildings.

The Committee's budget for the financial year 2009/10 is just over £ 22,000. The table on the following page provides information about the kind of local community led projects that the Committee would like to support in 2009/10. The table is organised to fit with the priorities of the Vale Community Strategy. The Vale Community Strategy sets out how the Council and its partners will work together to improve the quality of life of everyone who lives in, works in or visits the Vale. The table shows how the South East Area Committee plans to contribute to the Vale Community Strategy. Councillors consider that quality of life in the South East of the Vale will improve if there are more of the kinds of community projects that are listed in the table.

The South East Area Committee recognises that there are other kinds of community projects which may not be mentioned in the table. The Committee is more than willing to consider these projects, as all projects are determined according to their individual merits. However given the Committee's limited budget, it would like to focus its grant giving on projects that it feels will make an important contribution to community life.

If you are a member of a community group in the South East of the Vale who is interested in applying for a grant towards the cost of starting a priority project visit the Council's website:
http://www.whitehorsedc.gov.uk/community_support_and_advice/Community_grants/default.asp or telephone the Community Strategy Officer (Direct Dial 01235 547626).
