Q3 Do you consider the Local Plan complies with the Duty to Co-operate? No

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Re: Strategic Objectives: Supporting economic prosperity

One strategy to support economic prosperity would be to preserve and support local farmers. Although the information provided does not include specifics regarding the farms in the North

Abingdon-on-Thames area, it is a concern whether these will be preserved and continue to function in their current capacities, providing vital access to local produce. One example would be the Peachcroft Farm, providing very high quality, and well known, Bronze Free-Range turkeys.

Q5 Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Kindly provide specific information on the effect of the plan on local farmers and how this will be minimized.

***Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.*

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
