Name or Organisation :

3. To which part of the Local Plan does this representation relate?

Paragraph  Policy  Proposals Map

4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input checked="checked" type="checkbox" value="X"/>	No	<input type="checkbox"/>
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes	<input type="checkbox"/>	No	<input checked="checked" type="checkbox" value="X"/>
4 (3) Complies with the Duty to co-operate	Yes	<input checked="checked" type="checkbox" value="X"/>	No	<input type="checkbox"/>

*Please mark as appropriate.*

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Parish Council objects to the proposal for shared surfacing. In rural areas development should not be lacking in front gardens and footways. The proposal for what could be a narrow urban street scene is not appropriate for a village where a more open rural development is more fitting. Shared surfaces with a frequent movement of cars in an area where children could be playing is dangerous.

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

**No**, I do not wish to participate at the oral examination

**Yes**, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
