Taking Shippon out of the Green Belt

Q5. Please provide your comments below:

In the 18 years I've lived in this area Shippon has been a small little village tucked away in it's quiet rural idyll. Now I hear that you have plans to enlarge it and turn it into a town by removing it from the Green Belt.

This is complete folly and you've no good reason to do it. Haven't you enough space all over the Barracks when it's vacant? Putting your houses around Shippon is crazy when you don't need to. You will ruin the character of a fine old village, with more traffic and as far as I can see no means of dealing with it. Once it's done there's no going back and the village feel of Shippon will be gone forever. I'm 94 years old and can appreciate old areas like Shippon village, and there are more like me who can't complete your forms but my daughter helped me with this.

Please think again about ruining Shippon. Once you take it out of the Green Belt it will be ruined. Keep Shippon in the Green Belt.
