If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.**

We are satisfied that the two councils have worked together fully under the 'Duty to Cooperate'. However, we think that the initial chapters could better reflect this cooperation if they referred to other partners, such as South Oxfordshire, rather than just the Vale. The need to work with others is acknowledged in the sub-area strategy chapters it would be good if this were also acknowledged earlier on. More specific examples are raised below.
