5. Please provide details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the Duty to Cooperate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the Duty to Cooperate, please also use this box to set out your comments.

I do not think that the local plan 2031 Part 2 for the Harwell Campus area are realistic, either in scale [far too inflated. 1000+ dwellings and too short a timescale to even consider such intrusive development of this size on to the AONB]

The local effect on the ecology, [the wildlife habitats the rapidly diminishing green spaces in the Harwell area resulting in loss of flora and fauna in this part of Oxfordshire, and also the effect this would have on air quality]

I also think the local residents' feelings have not been taken into any consideration at all.

The residents of the North Drive estate and Chilton village love their rural environment. The creeping encroachment needs to be considered sympathetically to the benefit of all parties.

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the matter you have identified at 5 above. (NB Please note that any non-compliance with the duty to cooperate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

FOR PLANS TO BE CONSIDERED LEGAL, NBED TO MUCH MORE DETAILED (i.e.) THE PROXIMITY OF NEW BUILDINGS TO EXISTING RESIDENCES. RE. NORTH DRIVE AND CONSIDERATIONS TO THIS PRIVATE ESTATE AND ROAD ACCESS.

THIS WOULD MAKE THE PLAN, NOT SOUND AND NOT COMPLIANT.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the oral part of the examination.
