Q5. Please provide your comments below:

Shippon must remain in the green belt as there are other brown field sites within this county that could be considered. The housing need for Oxfordshire has been over estimated as per information in the local papers.

There are no exceptional circumstances for removing the small historic village of Shippon from the green belt therefore it must remain so.

South Oxfordshire is already over populated and the roads are heavily congested as a result. The main routes cannot cope with the traffic now and the infrastructure is totally inadequate to cope with a new settlement.
