Q5. Please provide your comments below:

I have been following the Neighbourhood Plan as reported by the St Helen Without council members. I am fully supportive if the reduction of dwellings to 1200 on the Dalton Barracks site. I would like to ensure that this plan is not a prelude to a larger development. Shippon has a very distinctive character centered around the historic St Mary Magdalene church. I occasional take services there and have understood the desire for Shippon to retain its small village character. There should be a separation established between Shippon and the new developement to enable this to be so.
