Q5. Please provide your comments below:

It seems to us entirely inappropriate to remove Shippon from the Green Belt. Like many residents we have no objection for the building of 1200 homes (or eventually more) on the site of Dalton Barracks and Abingdon airfield - we are not NIMBYs and see the need for sustainable development, and especially affordable homes. However we believe that it is not necessary or desirable to remove our small village community from the Green Belt, which should only be permissible in very special circumstances which do not pertain here. Removal from the Green Belt, with its potential for infill building, would threaten the nature of our small village. We feel that residents' views on this matter are important, and have not yet been properly taken into account.
