Draft Main Modifications to LPP2

Q5. Please provide your comments below:

We write with our concerns that in the LPP2 Main Modifications it sets out to remove Shippon from the Green Belt. We believe that Shippon should remain a 'Small Village' status.

In the National Planning Policy Framework July 2018 set out the Government's planning policies. This policy covers Protecting Green Belt Land. We think you will find that because there is no exceptional circumstances for removing the small village of Shippon from the Green Belt, as there is no conflict between the strategic need of LPP2 to build 1200 homes on the Airfield. There is more than enough land at Dalton Barracks to meet the VWDC's need for 1200 homes by 2031 (and for further development beyond that date). We feel it would be inappropriate to take Shippon out of the Green Belt.

In a recent letter to MP, Loyal Moran the inspector suggests that Shippon would be treated in exactly the same way as other Green Belt villages, such as Cumnor and Wootton. However neither of these villages are 'Small Villages' so should not be treated in the same way?

84% of Shippon residents have made their views clear in a Parish response to LPP2 that they wish to remain a small village and separate from any new development at Dalton Barracks/Airfield by creating an appropriate buffer zone. Unfortunately it appears that the wishes of Shippon residents are being ignored in the LPP2 Draft Main Modifications
