Subject: Vale of White Horse Local Plan 2031 Part 2 - Public Consultation on Schedule of Proposed Draft Main Modifications

Dear Planning Policy,

I refer to your message below in respect of the above topic and I can confirm that, at this present time, I have no further comments to make, over and above those already made in previous correspondence from myself to you, in respect of these latest proposed modifications; however, my letter dated 3 October 2016, together with attachments, which 'covers' the MM4 and MM9 housing modifications, refers.

I trust that the above is sufficient for your purposes at this time, but if you should have any further queries, require any more information or require a copy of the above mentioned letter and attachments, please contact me.

Regards,
