Schedule of Proposed Draft Main Modifications LPP2

### Q5. Please provide your comments below:

One of the proposals, and altered by the Inspector from his original decision, is for the village of Shippon to be removed from the Green Belt.

I object to this idea/proposal for the following reasons:

1. There is no need to remove Shippon since doing so adds nothing to the LPP2 plan.
2. The village is old and should retain its character and uniqueness and there is plenty of spare space to provide adequate separation from any proposed development(s).
3. The only areas which would be freed for further, and not needed development when the acreage of the barracks and airfield are acknowledged, is a small but essential one with houses located close to it.
4. For the reasons above I disagree completely with the proposal to remove Shippon from the Green Belt
