5. Please provide details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the Duty to Cooperate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the Duty to Cooperate, please also use this box to set out your comments.

I believe the Plan is unsound for many reasons, including the considerations of traffic around the Kingston Bagpuize, Fyfield and Tubney area. The main artery is the A420 and it is crossed by the secondary road A415. There is already heavy traffic on both these roads and, it will only add to the congestion, not only on the main roads but on smaller local roads also, with associated problems of environmental harm, depleted air quality and road safety. It should be noted that there are few employment opportunities in the immediate area so it follows that the site will generate more commuter traffic as each of the 600 proposed new houses will have and need at least one car and probably two in order to function well in this rural area. My interest is a) that I have been diagnosed with COPD (Chronic Obstructive Pulmonary Disease) and do not welcome a worsening air quality situation and b) that I have already been knocked off my bicycle on a local road, luckily sustaining no serious injury. Had I been a young person, such as may be a child of a new resident, with little experience of bicycle handling then I suspect that my injuries may have been severe and such a situation does not meet the objective of SO 8: (Reduce the need to travel and promote sustainable modes of transport) or SO 9: (... secure effective sustainable transport choices for new residents and businesses) as well making 2.84 (...improving public transport, cycling and walking within this Sub-Area...)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the matter you have identified at 5 above. (NB Please note that any non-compliance with the duty to cooperate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able

to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

***Please note** the Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the oral part of the examination.*

Sharing your personal details

Please be aware that, due to the process of having an Independent Examination, a name and means of contact is required for your representation to be considered. Respondent details and representations will be forwarded to the Inspector carrying out the examination of the Local Plan after the Publicity Period has ended. This data will be managed by a Programme Officer who acts as the point of contact between the council and the Inspector and respondents and the Inspector.

Representations cannot be treated as confidential and will be published on our website alongside your name. If you are responding as an individual rather than a company or organisation, we will not publish your contact details (email / postal address and telephone numbers) or signatures online, however the original representations are available for public viewing at our council office by prior appointment. All representations and related documents will be held by Vale of White Horse District Council for a period of 6 months after the Local Plan is adopted.
