4. (2) Sound

No ✓

4. (3) Complies with the Duty to Cooperate

No ✓

5. Please provide details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the Duty to Cooperate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the Duty to Cooperate, please also use this box to set out your comments.

I strongly object to your Local Plan for these reasons: When cities are complaining about pollution why would you want to pollute the countryside where people can walk and breathe the fresh air. You are focusing your decisions on Oxford, yet the jobs are going to outside of Oxford so why a bus route to the wrong place. If you are building on Dalton Barracks shouldn't the Park and Ride go there and then on to the Science Parks. Are you satisfying tourists for Oxford or local people getting to work.

Is it legally compliant to remove farmland when we will be dependent on our farmers to feed us. More people = more food required.

I also endorse the SPADE and Sunningwell Parish Council consultation responses

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the matter you have identified at 5 above. (NB Please note that any non-compliance with the duty to cooperate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

If you need extra public transport, put it at Dalton Barracks and have bus routes to the Science Parks. The new jobs are mostly south of the county. What you are suggesting with the safeguarding of land in the Sunningwell Parish is unsound thinking and needs to go back to the drawing board. Think about where the jobs are, then where people are going to live,

think about whether you are serving the tourists visiting Oxford City or the local people going to work.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
