

NOTE FOR INSPECTOR
RE REPRESENTATION MADE BY MR. DOUGLAS BOND
IN RELATION TO QUESTION 1.5 OF MATTER 1
3 JULY 2018

The Council has reviewed the written statement received from Mr. Douglas Bond to inform the discussion of Matter 1, and in particular in relation to question 1.5 “Has the preparation of the LPP2 complied with the 2004 Planning and Compulsory Purchase Act and the relevant regulations?”.

Without prejudice, the Council propose to delete the correction as identified on the submitted ‘Draft Adopted Policies Map – Abingdon-on-Thames and Oxford Fringe Sub-Area’ (**CSD06**) which arose from the Part 1 process. For clarity this includes:

- Deleting the wording ‘Includes correction to Green Belt Boundary at North Hinksey Village’ from the title of the map; and
- Revert the correction to the Green Belt boundary at North Hinksey village to that shown on the current Adopted Policies Map (December 2016).
