

VALE OF WHITE HORSE DISTRICT COUNCIL
LOCAL PLAN PART 1 EXAMINATION HEARING

INSPECTOR'S QUESTIONS

INSPECTOR'S QUESTION: The Council and County to liaise and confirm what if any issues remain as to transport infrastructure or safeguarding (see OCC's note to Inspector dated 22.2.16).

COUNCIL'S RESPONSE:

The council and the county have produced a Stage 2 Statement of Common Ground Addendum which confirms the agreements reached with regards to the safeguarding policies. The SoCG Addendum is listed in the Examination Library as ref: XXXXXXXX. This results in a number of proposed amendments which are to be included in the consolidated list of modifications.
