Mr and Mrs Comley object to Core Policy 15 on the basis that East Challow has been omitted from the South East Vale Sub Area. Representations to this effect have set out in detail in relation to Core Policy 3.

Please see attached representations.

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

East Challow should be included within the South East Vale Sub Area and Science Vale area in accordance with previous iterations of LPP1.

Please see attached representations.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Mr and Mrs Comley have land under their control at East Challow and a significant interest in the Local Plan Part 1.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
