If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Removal of the sites around Cumnor Village from the Green Belt is unsound as it would remove essential protection for maintaining the character of Cumnor as traditional rural community with its own village identity and quality of life.

The Council should protect the historical setting and rural landscape of an attractive Oxfordshire village and the Council has a duty to protect it for current inhabitants, visitors and future generations. Removing the green belt is likely to lead to harm to a healthy vibrant village community from development, which will destroy it and turn it into an urban satellite of Oxford.

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The sites around Cumnor should be retained within the Green Belt

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.
