Q1 Do you consider the Local Plan is Legally Compliant?	No
Q2 Do you consider the Local Plan is Sound (positively prepared, effective and Justified)	No
If your comment(s) relate to a specific site within a core policy please select this from the drop down list.	N/A

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

These factors alone do not make the proposals "highly sustainable". The effect on the environment, communities, existing transport infrastructure, etc have not been adequately considered.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
