Q2 Do you consider the Local Plan is Sound (positively prepared, effective and Justified)	No

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

Yes - I wish to participate at the oral examination

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

Q7 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

The Harwell Campus is central to the Council's spatial and economic strategy. It is therefore vitally important that the Harwell Campus Partnership has an opportunity to present its objections to the draft local plan both orally and in writing.
