If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Vale Local Plan 2031 is looking to develop employment in the South Oxfordshire Science Vale area. There is no employment in North Abingdon to sustain the very large community there. There is also no employment in Abingdon town that would support the local community. The vast majority of residents in North Abingdon have to travel to their place of employment. The individual motorcar is the predominant choice of transport taking individuals long distances to and from North Abingdon causing severe congestion.

By proposing to build 1000 new houses on Green Belt land in North Abingdon the Vale is failing to comply with its own Strategic Objective 8 of reducing the need to travel, it will in fact force residents of the proposed new houses in North Abingdon to travel long distances to find work.

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Vale Local Plan 2031 to remove the proposed 1000 new houses from North Abingdon.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

☐

No, I do not wish to participate at the oral examination

☒

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary: ☐

I wish to participate at the oral examination to challenge the Vale Local Plan 2031

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
