5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Lands Improvement Holdings Limited (LIH) notes that the Council will “seek” 35% affordable housing on all sites capable of a net gain of three or more dwellings and that “there should be a 75:25 split for rented (either social or affordable) and intermediate housing respectively.”

LIH welcomes the Council’s acknowledgement that there may be situations where the level of affordable housing be sought would be unviable and that in such situations, a revised mix and type and a lower level of provision will be considered.

In its comments on the February 2013 draft Plan, LIH expressed concern that a revision to the type and mix might be considered before the possible reduction in the level being sought. LIH’s view was that to ensure viability maximum flexibility is required and that accordingly, all three elements should be considered at the same time. LIH welcomes the Council’s decision to drop this stepped approach in the current draft Plan.

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

☐

**No**, I do not wish to participate at the oral examination

☒

**Yes**, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

LIH wishes to appear at the Examination to confirm its support for the Council's spatial strategy and to provide the evidence that, insofar as the land at Crab Hill is concerned, the strategy is sound and the site is available and deliverable.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
