If your comment(s) relate to a specific site within a core policy please select this from the drop down list. East Harwell Campus (Harwell and Chilton Parishes)

If you think your comment relates to the DtC, this is about how we have worked with the Duty to Cooperate bodies (such as neighbouring planning authorities)

Q3 Do you consider the Local Plan complies with the Duty to Co-operate? No

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Core Policy 15 ? Spatial Strategy for SE Vale Sub Area:

- 1 **The Vale's uncritical acceptance of the SHMA figures as targets has led to the inappropriate allocation of sites within the Green Belt and North Wessex Downs Area of Outstanding Natural Beauty (AONB)** . The plan has identified four development sites in the Green Belt to accommodate 1,510 houses, and two in the AONB for a total of 1,400 houses, which is threatening to undermine the rural character of the Vale.

North Wessex Downs AONB

Under the *Countryside and Rights of Way Act 2000* the Council has a statutory duty to have regard for the purposes for which the North Wessex Downs were designated an AONB, that is to conserve and enhance the natural beauty of the landscape.

The NPPF places AONBs in the highest category of landscape protection and affords them 'great weight' in the decision-making process. Further to this the NPPF confirms that AONBs are one location where restrictions apply to development and accordingly that: 'Planning permission should be refused for major developments in these designated areas except in exceptional circumstances and where it can be demonstrated they are in the public interest.'

For the above reasons, I consider the Plan to be unsound because it is not justified by robust evidence

Consequently, I request that much lower housing figures (based more closely on the Government's own household projections) should be used by the Vale in its Local Plan, and that the Inspector strikes from the Local Plan all site allocations in the Green Belt and North Wessex Downs.

Q5 Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Review the SMHA and adjust figures accordingly.

Give proper consideration to the environmental and social constraints within the District.

Remove erroneous allocation of housing to green belt and AONB

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
