3. To which part of the Local Plan does this representation relate?

Paragraph  Policy  Proposals Map

4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
4 (3) Complies with the Duty to co-operate	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>

*Please mark as appropriate.*

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

As currently drafted, the spatial strategy described in figure 4.1 fails to identify the role that limited non-local needs development (i.e. market housing) in the smaller villages and villages of the lowest order (defined as being 'open countryside' in Core Policy 3) can play in helping to make those villages and rural communities thrive.

As a consequence it is not sound since it is not justified, (it is not the most appropriate strategy for the Vale). Furthermore, it is inconsistent with national policy (pursuing this approach will fail to 'boost significantly the supply of housing' (NPPF para 47) nor will it be responsive to local circumstances or help to enhance or maintain the vitality of those villages and rural communities (NPPF para 55)). Finally, it has not been positively prepared in that it fails to plan for the objectively assessed needs of the area (NPPF paras 14 & 157).

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

By making the following changes, the Plan will be sound in that it will reflect a more holistic approach to supporting the rural communities in the Vale without excluding certain villages and communities from benefiting from anything other than affordable housing. This will accord with the NPPF and it will demonstrate that the Plan has been positively prepared.

The right hand column fourth bullet point should be altered to add the following text:

1 after the words '....Smaller Villages' add

*"and other lower order rural communities"*

2 after the words '.....needs of rural communities' add

*"..including market and affordable housing which helps to enhance or maintain the vitality of those villages and rural communities."*

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

☐

**No**, I do not wish to participate at the oral examination

☒

**Yes**, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Bluestone Planning wishes to be given the opportunity to appear at the oral part of the examination in public to debate these representations with the Local Planning Authority in front of the Inspector, should the opportunity arise.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
