**Q1 Do you consider the Local Plan is Legally Compliant?** Yes

**Q2 Do you consider the Local Plan is Sound (positively prepared, effective and Justified)** No

**If your comment(s) relate to a specific site within a core policy please select this from the drop down list.** N/A

If you think your comment relates to the DtC, this is about how we have worked with the Duty to Cooperate bodies (such as neighbouring planning authorities)

**Q3 Do you consider the Local Plan complies with the Duty to Co-operate?** No

**Q5 Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

Each of the 18 sites shown are very important in maintaining the Green Belt and should not be removed. All these sites and Areas of Natural Beauty that are marked as being possibly removed from the Green Belt need to be reviewed county-wide. In my opinion the plan contravenes the Government's own policy and guidance for the Green Belt and I believe there is evidence locally that many of these sites contravene one or more key principles of the Green Belt.

**Please note** *your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.*

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

**Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?**      No - I do not wish to participate at the oral examination
