Name or Organisation :

3. To which part of the Local Plan does this representation relate?

Paragraph Policy Proposals Map

4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
4 (3) Complies with the Duty to co-operate	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>

Please mark as appropriate.

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Policy CP2 commits the plan to the following, should it be identified that the Vale needs to accommodate some unmet need as an outcome of the joint work with other Local Authorities:

If, following this joint work, it is identified and agreed, either through the Oxfordshire growth board or through an adjoining local plan examination, that any unmet housing need is required to be accommodated within this district, the Council will either:

- *undertake a full or focused partial review of the Local Plan 2031, or*
- *allocate appropriate housing sites through a subsequent development plan document in conformity with the Spatial Strategy set out in the local plan 2031.*

Potentially the latter wording (underlined) could rule out other reasonable spatial options which CP2 commits to assessing as part of the joint work and as a result would not comply with the Duty to Cooperate.

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

It is suggested that CP2 text should be amended by modifying and deleting the last part of the sentence. This would allow for a different or modified spatial strategy, if required and would ensure the Plan complies with Duty to Cooperate:

If, following this joint work, it is identified and agreed, either through the Oxfordshire growth board or through an adjoining local plan examination, that any unmet housing need is required to be accommodated within this district, the Council will either:

- *undertake a full or focused partial review of the Local Plan 2031, or*
- *allocate appropriate housing sites through a subsequent development plan document in conformity with **an agreed** Spatial Strategy. ~~set out in the local plan 2031.~~*

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

The county council will deliver key items of infrastructure that will be needed to support growth.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
