I disagree with the proposal to build in the Green Belt

I am very concerned about existing traffic problems and consider that the new development will make things worse

I am also concerned that air pollution in Abingdon-on-Thames will increase

I consider that the increase in the amount of houses predicted is excessive

If the development must go ahead I think it is important that Dunmore Road is given infrastructure consideration reducing the speed limit to 30mph, introduction of roundabouts at junctions of roads with Dunmore Road
