If your comment(s) relate to a specific site within a core policy please select this from the drop down list. N/A

If you think your comment relates to the DtC, this is about how we have worked with the Duty to Cooperate bodies (such as neighbouring planning authorities)

Q3 Do you consider the Local Plan complies with the Duty to Co-operate? No

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

There is a lack of infrastructure to support the Plan

-The village primary school has only one form and is completely full. To take any more pupils would require the addition of 6 new classrooms, not just one as has been previously suggested.

-The A34 is the major trunk road from Cumnor to where the majority of the new jobs will be in the Science area near Harwell. It is already completely inadequate and would be the main transport link from Cumnor.

-The route through to 4 out of the 5 sites in Cumnor would need to go through a single lane one-way route through the centre of the village which runs past the village school and is already deemed dangerous and inadequate at current traffic levels. Property on either side of this route and the village layout means widening/alternative routes are not viable.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
