Q3 Do you consider the Local Plan complies with Yes the Duty to Co-operate?

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

SO9 seeks to ensure that appropriate and timely infrastructure is implemented in support of the housing development but I see very little detail around what that infrastructure should be or what triggers its

implementation. I fear housing development will come before the supporting infrastructure which would be very unsatisfactory

Q5 Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Triggers for infrastructure development (roads, schools, leisure, transport, etc.) need to be specified and housing development should not be allowed to take place absent the completed supporting infrastructure.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, No - I do not wish to participate at the oral do you consider it necessary to participate at the oral part of the examination?

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

Q7 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

I am happy to be represented by Harwell Parish Council and Keep Harwell Rural
