Name or Organisation :

3. To which part of the Local Plan does this representation relate?

Paragraph  Policy  Proposals Map

4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input type="text" value="na"/>	No	<input type="text"/>
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes	<input type="text"/>	No	<input type="text" value="no"/>
4 (3) Complies with the Duty to co-operate	Yes	<input type="text" value="na"/>	No	<input type="text"/>

*Please mark as appropriate.*

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

It is not SOUND or EFFECTIVE. This paragraph states that this sub area has good access to the strategic road network including A34 and A420 -I dispute this as a resident of East Hanney (covered in this sub area) the only access is Via Abingdon (via Marcham), Milton (via Steventon or Wantage through the Rowstock roundabout) and for A420 via Wantage

or through Frilford - ALL these road networks are identified in the Vale of White Horse District Council Delivery Plan as needing improvement and therefore cannot be classed as "good access" as stated in this paragraph

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

East Hanney needs to be considered in the same Sub Category as Wantage and Grove as they share facilities and road networks and job opportunities more than with the areas covered in the current sub category

***Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.***

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

NO

**No**, I do not wish to participate at the oral examination

**Yes**, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
