This policy states that cooperation with other Oxfordshire Authorities will include a full strategic review of the whole of the Oxford green belt. This seems inconsistent with the Vale having carried out their

own review, and would seem to raise the possibility of a succession of reviews each time a new housing needs assessment is produced. The National Planning Policy Framework(NPPF) makes it clear that a green belt boundary should only be altered in 'exceptional circumstances'. Government guidance (6 th March 2014) states that 'Unmet housing need is unlikely to outweigh the harm to the green belt and other harm to constitute the 'very exceptional circumstances' justifying inappropriate development on a site within the green belt
