4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input type="text"/>	No	<input type="text" value="X"/>
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes	<input type="text"/>	No	<input type="text" value="X"/>
4 (3) Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text" value="X"/>

Please mark as appropriate.

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Plan is not 'positively prepared' to meet infrastructure needs and not 'effective' at providing sound infrastructure delivery planning

If land in Cumnor was developed on, there would be a lack of appropriate infrastructure to support the plan:

- 1) There would be poor visibility when exiting the proposed sites (e.g. the exit from site 24 would be onto a steep a hill with very poor visibility). The roads within the village are narrow and one way and would not withstand the significant increase in traffic volume. There have already been a number of local petitions submitted to the Council expressing concerns about the speed of traffic within the village and use by HGVs;
- 2) Botley Medical Centre is already at capacity and struggling to cope;
- 3) Cumnor Primary School is also full and has no scope/ space to develop further;
- 4) The Local Plan would see the removal of the local sports and leisure facilities within the village (namely, the football field and cricket club, both on land recommended for removal from the Green Belt). This would be in contravention of the Council's own healthy lifestyle initiatives.

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
