- 1 **Core Policy 35: Promoting Public Transport, Cycling and Walking** ? which seeks to support the provision of sustainable transport measures to promote the use of public transport, cycling and walking

unsound

The proposal is to build at the north of abingdon, and yet the majority of projected jobs >70% are to the south at the vale science park.

The distance to these jobs is too far to walk/cycle and there are no bus routes. Thus the new residents will have to drive, which is in direct opposition to this core policy.

**Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?** No - I do not wish to participate at the oral examination
