You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

To make the plan credible and effective we would propose the safe guarded land to not include holes 9 & 10 of Drayton Park Golf Course. The proposed slip road could start further south thus eliminating any disruption to our local facility.

Drayton Park golf club, I'm sure if the council put their heads together they could find an alternative route away from where hiles 9 & 10 are situated. Why does your organisation always find the easy option. I play golf here regularly and also at other golf courses. Much work & planning has gone into the planning & building of Drayton Park by the McKenna Family. It is a brilliant place to play golf and not only golf but also for weddings where bride & groom can enjoy photos on their big day. I suggest that you go back to planning and re-route your road to not disturb the beautiful piece of art where so many people enjoy exercise and fit retired people, perhaps this may be the only outing they can manage.
