Please be aware that, due to the process of having an Independent Examination, a name and means of contact is required for your representation to be considered. Respondent details and representations will be forwarded to the Inspector carrying out the examination of the Local Plan after the Publicity Period has ended. This data will be managed by a Programme Officer who acts as the point of contact between the council and the Inspector and respondents and the Inspector.

Representations cannot be treated as confidential and will be published on our website alongside your name. If you are responding as an individual rather than a company or organisation, we will not publish your contact details (email / postal address and telephone numbers) or signatures online, however the original representations are available for public viewing at our council office by prior appointment. Further comment: Please use this space to provide further comment on the relevant questions in this form. You must state which question your comment relates to.

(1) LEGALLY COMPLIANT

Surely there is a conflict of interest where the people submitting the Report are also Developers (albeit in a different role?) At the recent Public Meeting held at Abingdon College on Monday 6th Nov, it was hardly possible to hear what was being said. The preparation for this Meeting was poor. A hand held microphone should have been available. Quite simply, we could not hear what was being said. Many questions were deliberately ignored. Copies of the Form were not available.

(2) Sound

Shippon has an elderly population and residents have found it difficult if not impossible to access information (no computers). The website is difficult to navigate.

Shippon is a very old village and can be read about in the Domesday Book and should retain its status.

(3) Duty to co-operate

In LPI Shippon was left in the Green Belt, yet in Part 2 it has been removed without any consultation. This important question was raised at the meeting and hurriedly dismissed.

When asked what format the development would take the reply was 'they did not know.' How can we comment when there is no sign of co-operation.
