The Vale Local Plan Part 2
Remove the s.tie North of East
Hanney for 80 dwellings

26/10/17

Re Ashfield Lane

Dear Sir,

I moved to East Hanney
for the lovely green fields and
NO street lights. Now more
houses and light pollution inside
and outside homes.

New buildings in village
are unaffordable for villagers born
here, and never 1 bedroom
terrace bungalows with just a
patio for us older people who
would love to stay in Hanney.

Oxfordshire Council has
admitted they over estimated the
houses needed.

Please listen to us.
