Dear Sir/Madam,

We are residents in OX14 area and were invited to view plans by SPADE/SPC at a drop in session on 12th November.

After considering plans and proposals we support SPADE's request to relocate the park and ride to the A34/A415 junction as this would serve far more people and have less detrimental effect on Green Belt land.

We endorse the SPADE and SPC consultation responses as we believe they take better consideration of what is actually needed by those who live in the area both now and in the future - balanced with appreciation and value of landscape sensitivity.

Sincerely,  
Peter and Hilary Hawkes
