Please be as precise as possible.

To make the plan credible and effective we would propose the safe guarded land to not include holes 9 & 10 of Drayton Park Golf Course. The proposed slip road could start further south thus eliminating any disruption to our local facility.

**Further comment:** Please use this space to provide further comment on the relevant questions in this form. **You must state which question your comment relates to.** Ref: local Plan 2031 Part 2 "Policy & Policies map."

I understand that there is a planning application for a link road, off the A34. Straight into Milton Park, and is likely to take up two holes from our golf course "Drayton Park".

Looking on google map I wonder if it is necessary for the link road to be so close to the golf course.

As the golf course provides so much pleasure to so many people of all ages, I feel that I must object to these plans.

Hopefully another route can be found, possible further up to A34 where there is more unused land.
