**Further comment:** Please use this space to provide further comment on the relevant questions in this form. **You must state which question your comment relates to.**

Access to the A338 would be a problem - increasing traffic due to increased developments in Wantage + Grove, which will increase noise + air pollution.

Lack of public transport to the centre of the village.

School could not take more children.

Medical + Dental services would be more stretched. )

The shop is very small + would be difficult to access without a car, which would increase density of traffic in the village.

Post Office has limited services and is only open Mon - Friday.

Parking is a great problem now, and would increase.
