You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

To make the plan credible and effective we would propose the safe guarded land to not include holes 9 & 10 of Drayton Park Golf Course. The proposed slip road could start further south thus eliminating any disruption to our local facility.

**Further comment:** Please use this space to provide further comment on the relevant questions in this form. **You must state which question your comment relates to.**

Soundness:

In starting the slip road well North of where it could reasonably start, thereby obliterating holes 9 & 10 of the golf club the following undesirable outcomes are inevitable:

- A much used local sports facility is seriously degraded and may have to close as members move to other - still 18 hole - courses.
- Jobs would be lost and local business dependent on the course would be ruined.
