Name or address of person making representation			
3. To which Local Plan does this representation relate?			
Paragraph	2.44 and	2.45	Policies Map
4. Do you consider the representation to be:	(Please tick as appropriate)		
4. (1) Legally compliant	Yes	<input type="checkbox"/>	No <input type="checkbox"/>
4. (2) Sound	Yes	<input type="checkbox"/>	No <input type="checkbox"/>
4. (3) Complies with the Duty to Cooperate	Yes	<input type="checkbox"/>	No <input type="checkbox"/>

5. Please provide details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the Duty to Cooperate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the Duty to Cooperate, please also use this box to set out your comments.

I fully support the representations made by the Fyfield and Tubney Parish Council and many of the individual representations from local residents. My representation here reflects my overall impression of the LPP2 and the District Council's decision-making process. Many paragraphs throughout the text, the appendices, the consultation statement and the sustainability appraisal indicate what must be done (e.g. biodiversity assessment, environmental impact analysis, traffic survey, archaeological investigation) and no doubt these would be required of any developer but, surely, these should have been done before the LPP2 was completed. This implies that the East of Kingston Bagpuize site was already decided upon before any integrated or holistic appraisal could be commenced by the District Council.

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the matter you have identified at 5 above. (NB Please note that any non-compliance with the duty to cooperate is

incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove the site from further planning

**Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

☐

**No**, I do not wish to participate at the oral examination

☐

Yes

**Yes**, I wish to participate at the oral examination

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

I would hope to point out the inter-linkages of many factors that affect the site and seek clarification from the Inspector and relevant officials on the extent to which preliminary preparatory planning was done without bias, how the factors were weighted and how the various sites in the LPP2 were compared.

**Please note** the Inspector will determine the most appropriate procedure to hear those who have indicated that they wish to participate at the oral part of the examination.
