If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the Duty to Cooperate, please also use this box to set out your comments.

The Local Plan is based on the output of the Strategic Housing Market Assessment (SHMA) for Oxfordshire. The SHMA in itself was unsound and significantly overestimated the housing needs for the area. Government guidance has now said that plans should not be based on the SHMA, but on a new methodology which is more transparent. Instead of waiting for the output of the new assessment, the District Council wish to adopt the plan as already drafted. A plan based on unsound data from an unsound process cannot be considered to be sound, and failure to take government advice may not be legally compliant.

(Continue on page 4 /expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the matter you have identified at 5 above. (NB Please note that any non-compliance with the duty to cooperate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Re-assessment of the housing needs of the District and Oxford City using the agreed methodology is required, and the policy re-drafted in the light of this new assessment of housing need.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
