**Please make your comments on this Planning Policy or Site in the box below:**

**Plans for a park and ride at Lodge Hill for A34 users to use instead of driving into Oxford** *[Two of these sites are identified by Oxfordshire County Council as their preferred locations for the new Park and Ride sites along the A34 and A420 corridors and once developed, will assist in achieving sustainable development, associated with the additional housing proposed in the Part 2 plan27].* Whilst this is a good idea in principle I would like to see more detail of the proposed site for the park and ride at Lodge Hill. Where exactly will this be built? Will further areas of countryside be used when we have already lost valuable green belt land to housing?
