If you think your comment relates to the DtC, this is about how we have worked with the Duty to Cooperate bodies (such as neighbouring planning authorities)	
Q3 Do you consider the Local Plan complies with the Duty to Co-operate?	Yes

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

unsound

building this development on the north of abingdon, when the vast majority of employment is to the south flies in the face of this policy. the distance to the employment makes cycling / walking unrealistic and there are no buses serving this area. This leaves the residents having to drive, on already overcongested roads, adding an additional 1200 cars to these roads will be unsustainable, with an unacceptable increase in congestion and air pollution.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? No - I do not wish to participate at the oral examination
