**SO 12:** Minimise greenhouse gas emissions and other pollution (such as water, air, noise and light) across the district and increase our resilience to likely impacts of climate change, especially

floodingUNSOUNDadding 800 houses, and so at least 1200 more cars can only increase green house gases and pollution further. The proposed jobs for these residents is either south at milton park / culham, or north to oxford. In all cases, commuting by car will be their only option, the surrounding roads are already heavily congested, this development will only make a bad situation far worse.
