Q1 Do you consider the Local Plan is Legally Compliant?	Yes
Q2 Do you consider the Local Plan is Sound (positively prepared, effective and Justified)	No
If your comment(s) relate to a specific site within a core policy please select this from the drop down list.	North West of Radley

If you think your comment relates to the DtC, this is about how we have worked with the Duty to Cooperate bodies (such as neighbouring planning authorities)

Q3 Do you consider the Local Plan complies with the Duty to Co-operate? No

Q4 Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Consultation statement makes no reference to the 550 residents of Radley who responded to the April consultation. These were all considered as one objection, despite assurances from Council Leader Matthew Barber on 4th April that they would be considered individually.

The statement says that only 91 comments were received on South Kennington, 40 for North Radley and 45 for North West Radley.

The Vale has indicated that there were problems with the website during the consultation and cannot confirm that no comments were lost as a result. An extension was granted to key landowner Radley College, whose response is dated 11/04/2014 a full week after the close. No such extension was offered to the public.

Q5 Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The SHMA should be given greater scrutiny and that much less reliance should be put on it.

***Please note** your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.*

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q6 If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Yes - I wish to participate at the oral examination

***Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.*

Q7 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Throughout the consultation process the residents of Radley have been critical of the SHMA. The Council has been told that the Examination in Public is the place where the SHMA can be challenged and wishes to be present to participate in this challenge.
