Subject:	Re: How to object to strategic site in SITV (Acknowledgement)

## Hi there,

Seeing as how I haven't had a response in a month I would like this email to be put forward as an objection to the strategic site proposed for Stanford in the Vale.

I strongly feel that an additional 200 houses in the village will fundamentally alter the nature and character of the village. We recently moved out of Oxford for a village lifestyle and the increasing growth of the village is not what we were hoping for in a rural community. I appreciate the need for more houses in the Vale but in my opinion this growth should be either a) concentrated in existing towns, which have a far greater capacity to absorb additional people without there being a strain on local services or facilities; or b) done by creating a new town which can be properly planned, rather than a haphazard and piecemeal development of existing villages.

Regards,

Andy Smith From: Planning Vale <planning@whitehorsedc.gov.uk> To: Andrew Smith Sent: Wednesday, 3 December 2014, 18:28 Subject: Re: How to object to strategic site in SITV (Acknowledgement)

Thank you for your email.

If your email is a representation on a planning application, it will be noted and taken into account before the application is determined. Unfortunately, due to the large number of representations received relating to all applications, it will not be possible to answer any specific questions you may have raised. However, you will receive written notification of the council's decision on the application in due course.

All other enquiries will receive a response in due course.

Planning Service Vale of White Horse District Council

Hi there,

I am trying to object to the strategic site for development proposed in Stanford in the Vale but it is not clear where I do this, so please could you advise me by sending the correct link? I think that I add comments at 5.110 here
