4. Do you consider the Local Plan is :

4.(1) Legally compliant	Yes	<input type="text" value="x"/>	No	<input type="text"/>
4.(2) Sound (Positively Prepared, Effective and Justified)	Yes	<input type="text"/>	No	<input type="text" value="x"/>

Please mark as appropriate.

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

No explanation has been given for the intended removal of five sites around Cumnor village, identified as 3,4,5,6 and 24, from the Green Belt.

Sites 4 and 5 lie within the Cumnor Conservation Area (CCA) and removing them from the designated Green Belt would serve no purpose – unless the intention is to legislate the CCA out of existence so that development of these sites could then take place.

Site 3 lies right next to the A420 and its development (after removal from the Green Belt) would diminish the existing separation of Cumnor from the spreading urban sprawl of Botley which itself is part of an unbroken chain of development stretching to central Oxford.

The development of sites 5 and 6 would present insurmountable infrastructure problems, a fact recognised in recent planning decisions and removal of these sites from the Green belt would not correct these shortcomings.

(continue on a separate sheet/expand box if necessary)

6. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or

text. Please be as precise as possible.

The plan should be rejected.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?
